

Seal Rock Water District

RESOLUTION NO. 0312-02
A Resolution Adopting the Seal Rock Water District
Design Standards Manual Effective May 22, 2012

WHEREAS, The Seal Rock Water District is empowered to set technical and managerial standards for water utility improvements within the District Limits; and

WHEREAS, The District finds it necessary to establish and implement uniform engineering design and material standards to aid in the interpretation, application, and implementation of development standards; and

WHEREAS, The District finds it necessary to establish and implement uniform permit application procedures and fee schedules to allow sufficient review and inspection of development plans and specifications by the District Staff and the District Engineer in order to protect the integrity and function of the public infrastructure system and the level of service provided to District's customers.

BE IT RESOLVED BY THE SEAL ROCK WATER DISTRICT BOARD OF COMMISSIONERS, that:

SECTION 1: The provisions of the "The Seal Rock Water District, Design Standards Manual – Guidelines for Development" shall be adhered to for projects involving water system improvements within the District's area of service.

SECTION 2: The officers, agents, and employees of the Seal Rock Water District are authorized to take all actions necessary to effectuate the provisions of this Resolution.

SECTION 3: Copies of the Design Standards Manual shall be available to the public at a reasonable cost.

SECTION 4: This Resolution is effective immediately upon passage.

PASSED, ADOPTED AND APPROVED THIS 22nd DAY OF March 2012 BY THE SEAL ROCK WATER DISTRICT BOARD OF COMMISSIONER:
